Draft of Letter for Sponsorships: Carlie handed out the draft letter. Our full race schedule will be posted on the back of the letter. In the body of the letter, he noted the big races that will bring in money to the local economy. Paul questioned where the sponsorship money will go, the mountain or the club? It was discussed at the last meeting that sponsors will be advertised on the CSC website. Carlie said he is representing CSC and will be knocking on doors to gain sponsorships from local businesses.

#### NEW BUSINESS:

They will have a separate race on Saturday and will join the Marathon Race on Sunday. Herbie questioned if the Sassi Jr and Sassi Memorial Races Day are on the same day and if the schedule allows enough time between the 2 races. Ray asked why we only have 3 high school meets. Mt Abram asked for a race on January 6<sup>th</sup>. Bob noted we have 3 Middle School GS meets before the Middle School state meet. He explained the December 30<sup>th</sup> format called Kick-In Sprints.

Museum: Paul noted that Herb brought photographs from his nephew Bo Adams at the New England Ski Museum and some are duplicates of what we have in the museum. It was suggested to turn the duplicates over to the Ski Museum of Maine in Kingfield.
